

AMERICAN
COLLEGE *of*
CARDIOLOGY®

THE AMERICAN COLLEGE OF CARDIOLOGY IS YOUR PROFESSIONAL HOME

The ACC is your professional home for tools and resources that support you in your efforts to provide high quality cardiovascular care to patients worldwide. From training through retirement, membership brings with it benefits that, purchased separately as a nonmember, would cost thousands and help you transform cardiovascular care and improve heart health.

AS A MEMBER YOU CAN:

- Read about the latest clinical developments in **FOUR JACC Journals**—also available on iPad
- Stay up-to-date with **300+ FREE educational opportunities** offering CME
- Meet certification requirements more easily with online complement Maintenance of Certification Modules (MOC) and ACC's MOC Information Hub online
- **Receive ongoing advocacy support for your interests at the federal and state levels,** regulatory bodies (ABIM, ABP) and payers.
- Access **Guidelines, Appropriate Use Criteria and Consensus Documents**
- Save with **discounts on digital products and live courses**
- Receive reduced registration rates on the ACC's Annual Scientific Session
- Participate in **ACC's quality initiatives** to improve patient care including the NCDR Registries, Patient Navigator, Surviving MI, Hospital to Home and D2B.
- Focus on your specialty and/or interest area with ACC's **16 Member Sections**
- **Advance your career** with ACC's Mentoring Program, Research Funding Search Engine, training program resource and career advice from the experts
- **Access mobile applications** that help you treat and manage patients on the go, including ASCVD Risk Estimator, CardioSmart Explorer and AnticoagEvaluator
- Network and learn at the local level with over **80 State and International Chapters**
- **Gain leadership experience and recognition** by participation on Councils, Committees and Work Groups
